A collage of images featuring a woman's face and upper body, overlaid with various digital effects and patterns. The central image shows a woman's face and upper torso, with a green, pixelated, mask-like overlay on her face. To the right, there's a close-up of a woman's face with a rainbow-colored, pixelated overlay. The background is a complex, abstract composition of various colors, patterns, and textures, including a large, stylized, multi-colored 'X' shape. The overall aesthetic is digital and artistic, with a focus on color and pattern.
